1. Copy the diagram at the lab station.
2. Label the points (X) on the diagram with the letter that corresponds to the correct description of energy. Not all X's have a letter, you may not use more than one letter per X
 - a. Largest amount of kinetic energy
 - b. Largest amount of potential energy
 - c. Second largest amount of kinetic energy
 - d. Second largest amount of potential energy
 - e. Least amount of kinetic energy.
 - f. Least amount of potential energy.

3. Explain your answers /reasoning for how you labeled the diagram.

A
B
C
D
E
F
