

When is the unicorn project due? \_\_\_\_\_

When can you ask Mr. Sinusas for crayons? \_\_\_\_\_

When can you ask Mr. Sinusas for colored pencils? \_\_\_\_\_

When can you ask Mr. Sinusas for markers? \_\_\_\_\_

How many pieces of drawing paper is Mr. Sinusas going to give you? \_\_\_\_\_

What else do you need to draw besides a unicorn on your paper? \_\_\_\_\_

What do you have to hand in besides the drawing of your unicorn? \_\_\_\_\_

Your unicorn data table must be neat and legible. If there is any doubt if you are using an uppercase or lowercase letter it will be marked wrong. Please use the template saved on Mr. Sinusas' website if you need to type the genotypes and phenotypes.

Using the data table on page 60 to help you identify the genotype of phenotype.

Identify the possible genotypes:

yellow seeds:

green seeds:

wrinkled seeds:

round seeds:

bumpy pods:

smooth pods:

green pods:

yellow pods:

Identify the phenotypes:

Seeds: Yy:

yy

Seeds: RR:

rr:

Pods: gg:

GG:

Pods: Ss:

ss:
